

## Shri Radha Mohan Singh to review the Flagship Programmes with 13 State Ministers

Union Minister for Agriculture and Farmers Welfare, Shri Radha Mohan Singh will be reviewing the

progress of two priority programs of the Government namely National Agricultural Market (e-NAM) and Soil

Health Card on 5th July 2017 at Krishi Bhawan. State Ministers of Agriculture, Markets of which have been integrated to e-NAM, and State Agriculture Ministers of some selected States will be attending along with their senior State officials. The progressive agri-market reforms being driven by Department of Agriculture, Co-operation and Farmers Welfare and NITI Aayog incorporated in the new model Agriculture Produce and Livestock Marketing (Promotion and Facilitation) Act, 2017 will also be discussed

to encourage the States to adopt the suggested provisions at the earliest to bring in the benefits for the farmers. 455 markets from 13 States have been integrated to the national web based portal of e-NAM with the registration of over 47 lakh farmers and 91,000 traders. This innovative market process is revolutionizing agri markets by ensuring better price discovery, bringing in transparency and competition to enable farmers to get improved remuneration for their produce moving towards "One Nation One Market".

## What is Chakli?

"Chakli", a charming, generous, and a nature-loving bird. In today's hi-tech cosmos, the new generation and even us get to discern CHAKLI, i.e., a SPARROW only in books.

In this akin aspect, there is a considerable lot of mortals in our human zoo; children, daughters and sisters to many, who are competent enough to mold a headmost position in the society, but all in search of a "dali"; an opportunity, but all contemplating for a backing. All they require is this; a "dali"- branch to aid them.

With this apprehension, we subsist to inculcate many such opportunities for the myriad physically challenged sparrows, who are all folks amongst us, desirous to undertake something for their families.

Chakli would render to the efforts of underprivileged people. These people and ju-

veniles, with their creative reflection will design bags of creative and clever articles to display them to the common men. The articles would be such, that they will be honored by all. Also, award the articles a corner in your homes, so that these sparrows keep securing a never-ending "dali" to support them.

## Environment Minister to Lead Plantation Drive to Celebrate Van Mahotsav

Union Minister of Environment, Forest and Climate Change, Dr. Harsh Vardhan will lead a month-long drive to plant saplings to mark Van Mahotsav here starting on July 5. The plantation drive will be organised at Ram Lila Park, C. C Colony, Model Town tomorrow and in District Park, Paschim Vihar on July 6. The Minister will plant saplings and also distribute saplings for plantation to local residents. Dr. Harsh Vardhan has advised the people to plant native trees because they readily adapt to local climate, integrate into the eco-system, have a high survival rate and are helpful in supporting local birds, insect and animals.

Recollecting the Prime Minister, Shri Narendra Modi's emphasis on 'Van Dhan' to enhance the country's forest-based economy, while improving the biodiversity and living in harmony with nature has been a part of our culture for thousands of years, the Environment Minister requested all States and the people at large, to hold plantation drives during the

monsoon season. Dr. Harsh Vardhan also referred to India's Intended Nationally Determined Contribution (INDCs) to create additional Carbon Sink of 2.5 to 3 Billion Tonnes of CO2 equivalent through additional forest and tree cover by 2030, as has been submitted to UNFCCC under the able guidance of the Prime Minister, Shri Narendra Modi. He added that such goals can be attained only with the active participation of people on a large scale.

Van Mahotsav began in 1950, with a tree plantation drive, in which national leaders participated. The festival of tree plantation was started by Dr. K.M. Munshi, the then Union Minister for Agriculture and Food to create enthusiasm among masses for forest conservation and planting trees. The festival was simultaneously celebrated in other states in India.

Van Mahotsav is usually observed in the first week of July every year and is celebrated on different days in different parts of India.
